# CELTIC CUP 2021

NICS  
NI CIVIL SERVICE HC  
BELFAST

## **WELCOME FROM HOCKEY IRELAND PRESIDENT**

It is my great pleasure on behalf of Hockey Ireland to welcome you all to NI Civil Service Hockey Club for the 2021 Men's Celtic Cup Masters Tournament. The Celtic Cup has been running since 2008 with France, Scotland, and Wales participating in over 60, 65 and 70 age groups.

When Ireland started an over 60 age group, Ireland joined in 2014. Countries take turns in hosting this event with Ireland previously hosting in Bangor in 2015 and in Cork in 2017. Unfortunately, the Tournament was not played in 2020, due to the restrictions with Covid.

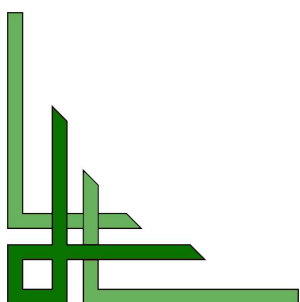

Run under the auspices of Hockey Ireland, The International Hockey Federation and World Masters Hockey, this event attracts 180 to 200 participants. The organisers have worked hard to ensure safety for all and compliance with whatever Covid rules are in place. I would like to thank them for their great preparation work and the Northern Ireland Civil Service Sports Association for the use of their facilities.

A big thank you also goes to the Tournament Director, the Umpires Manager, the Umpires and the Technical Officials for the time and commitment they are giving to make this weekend a great success. Without these volunteers we would not be able to run such an event. I would also like to recognise the great work of the coaches and managers, who have put so much time and effort into preparing their teams.

Masters Hockey is an important part of Hockey in Ireland and is enjoyed by an increasing number of male and female players in both a competitive and social manner. It is a time to renew old friendships, make new friends and keep playing a sport that is enjoyed so much.

Welcome to Belfast and I hope that you all enjoy a great weekend. Good luck to all the teams.

## **WELCOME FROM ULSTER HOCKEY**

Welcome to Belfast, especially in Ulster Hockey's 125th Anniversary Year!

It is wonderful to host the Men's Hockey Masters Celtic Cup in Ulster and to get back to hockey after the restrictions due to Covid 19.

Thank you to the Northern Ireland Civil Service Hockey Club, for the use of their excellent facilities.

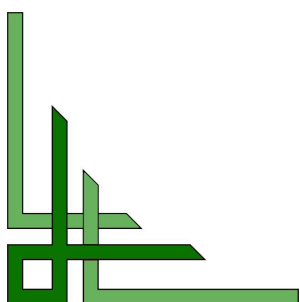

Unfortunately, the Teams from France have not been able to attend because of Covid 19 restrictions, however I'm delighted that the Ulster Over 55s can provide opposition in the Over 60s level and local clubs are also helping out other age groups.

Good Luck to Ireland, Scotland, Wales and Ulster Over 55s, the players and officials and I wish you all a memorable and enjoyable tournament.

**Rosemary Rea**

President, Ulster Hockey

# TOURNAMENT RULES

**1.1** These will be one pool competitions with all teams playing against each other, and the following points will be awarded for each match:

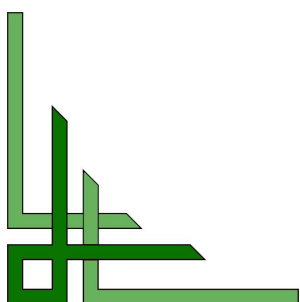

- Three points to the winner;
- One point to each team, in the event of a draw;
- No points to the loser

**1.2** Teams will be ranked according to the number of points each has accumulated in the competition.

- a) If at the end of the competition two or more teams have the same number of points for any place in the pool, these teams will be ranked according to the respective number of matches won.
- b) If there remains equality among two or more teams, then these teams will be ranked according to their respective goal difference. A positive goal difference always takes precedence over a negative one. c If there still remains equality among two or three teams, then these teams will be ranked according to their respective number of "goals for". d Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.
- c) Should there still remain equality among two teams then the ranking will be determined by a shoot-out competition between those teams and organised by the Technical Delegate.

**2.0** The Tournament will be played using the new FIH rules issued for 2017.

**3.0** Matches will be 4 x 17.5 mins with breaks. No stops for SC's.
